

MMXIX

January 5th

SOS New Year's Meal at the Marks', **7:30pm for 8pm**. So another year begins! This evening we will gather around the dinner table to fondly look back on and excitingly forward to the year. Call Gill and Steve on 748659 to find out which course you are providing.

February 2nd

Planning Evening at the Aylens' Brain in gear! Thinking Caps on! and Best Foot Forward! We sit down together with our diaries and planners to bring together our ideas for 2019 Call Frances or Nick Aylen on 398150.

SOS

Programme
2018

S.O.S. Sometimes On Sunday

SOS is an informal fellowship group that meets around once a month, usually in someone's home. Anyone is welcome to come along.

Activities range from family friendly fireworks to a New Year Meal and our annual fund raising Easter Breakfast and other stuff besides! Faith meals are often a central part of our activities – let the hosts know you're coming and bring food and drink to share.

Everybody is welcome to our events which all start at 7:30pm unless otherwise stated. In each case please call the hosts on the number given to let them know you intend to come. All phone numbers are 01296...

- March 10th **Take Five!** As the great Dave Brubeck told us tonight we 'take five!' Impress your fellow SOS'ers with your meal created with just five ingredients (not including salt and pepper). It can be a savoury or sweet dish, perhaps even both, the choice is yours. Tonight's gig is at the home of Lynn & Derek Bernstone, call 420817
- April 1st **Easter Sunday Breakfast** once again the SOS team will be serving breakfast on this special day. Join us between 9:00 & 9:30 in the Church Hall; we are finished in plenty of time for you to enjoy the Easter Service. Profits as usual will support the work of the Whitechapel Mission; buy your tickets from Lynn Bernstone on 420817.
- May 5th **SOS 'Out and About'**. Tonight we trek to the Lower High Street and meet to eat at the Bucks Balti Indian Restaurant. If you like it warmer than a Korma or want to seek a Tikka fear not, every level of heat (or not) is on the menu. Remember to bring your own drinks! Viv Kemp is our co-ordinator on 399315
- June 16th **It's A Man Thing!** Strange things happen in the garden at this time of year. Men stand in front of a BBQ being praised, by other men, for the cooking of food carefully prepared by a woman earlier in the day, but she is too busy getting drinks for everyone to notice. Today's garden is at the home of Gill & Trevor Nord 483157
- July 14th **TV (of the) Times.** Back in the 60's & 70's TV was very different as was the food we ate, this evening we fondly look back on those simpler times. Share your memories of the programme that you just couldn't miss and bring the most exciting meal you ever ate! Step back in time to the home of Gill & Steve Marks, use your trim phone to call 748659

- August 11th **Chew with a View**, this evening we will wander along together to the top of Coombe Hill to take in the late afternoon sun as it bathes the Vale. Meet in the car park at 6pm wearing your favourite walking shoes, carrying your favourite picnic foods and of course something to sit on.
- September 8th **It's a Who Dun It.** Murder most horrid finds its way to Mel and Mike's home in the crime capital that's Stone. Are you the killer or just a witness? Will your story add to the confusion or will you ask the key question that exposes the perpetrator of the heinous act. Bring food to die for! Call a Dean on 749031
- October 6th **Room 101.** 1984 may have been a vision of an Orwellian future that hasn't quite occurred but tonight we risk opening the door to this room of torment to place into it those things which drive us to distraction in everyday life. As a twist bring with you the food that you just couldn't live without whilst eradicating what you cannot live with. Please let Marilyn or Nick Storer know you're on your way, call 622656
- November 3rd **BOOM BANG a BANG!** Tonight we light the touch paper and retire! One of the highlights of the year is the fireworks party at Viv & Steve's. After the display and getting cold we share the warmth of food and fellowship. We start a bit earlier at 6pm, chat to a Kemp on 399315
- November 30th **St Andrews Day** a special day to all with a Scottish persuasion so it is no surprise tonight we gather at the Miskin's. Join Margaret & John with your meal that celebrates our Celtic cousins who's culinary gifts include the Haggis, deep fried anything, shortbread and of course Cullen Skink! They will be 'Gled tae meet ye' on 422919
