

**Dear**

**For this, the occasion of our well established Annual Organ Concert, we are particularly pleased to present Distinguished Organist, Piers Maxim, Director of Music at Malvern Priory.**

**Piers reputation and remarkable musicianship is already well established within the UK and specifically in our locality, formerly as Conductor and now as President of Aylesbury Festival Choir.**

**In keeping with our customary style, Piers will introduce and perform an attractive programme of great organ music by French and English composers**

**On the evening of the concert, the organ console will be placed on the front central dais. This, together with a large double video display and excellent sound ensures that everyone can hear and see comfortably without obstruction.**

**Entrance at the door is £12.00, but by ordering in advance the cost is only £10.00 ( students entrance is free).**

**The simplest way to obtain tickets in advance is to complete the attached booking form and post it with your cheque as directed. Your tickets will then be mailed to you by return or if preferred, kept available for your collection at the door.**

**Alternatively, tickets can be purchased direct from the Church Office on weekday mornings.**

**I look forward to welcoming you.**

# TICKET BOOKING FORM
