

Aylesbury Methodist Church and Centre

Church Copyright Policy

The church holds five copyright licences, issued by Christian Copyright Licensing International (CCLI) (reference number 210026)

- Church Copyright Licence (CCL) To photocopy song/hymn words
- Music reproduction (MRL) To photocopy song/hymn music
- PPL Church Licence To play CD's.
- PRS for Music Church Licence (PRS) To perform musical works.
- Streaming Licence To stream services

The last one, the streaming licence, was obtained in 2021 to facilitate the streaming of Sunday Services.

In order to assist the distribution of royalties to copyright holders, we are required under the terms of the licence, to submit an annual report listing the songs we have copied during the year and this is done by the Church Treasurer.

The current annual cost of the above five licences is £634 for our sized church.

There is one licence which we do not hold and that is the Church Video licence which would enable us to play videos during Church Activities. The cost of this is about £180 but at present this is thought to be unnecessary.

Roger Kirk
Treasurer
