

**78 – 80 High Street, Waddesdon, HP18 0JD**

**Parking Guide for 25<sup>th</sup> May Circuit Service at 6:30pm at Waddesdon**  
**Methodist Church**  
**78 – 80 High Street, Waddesdon, HP18 0JD**

 = **Waddesdon Methodist Church**, the no parking area in front of the chapel will be blocked off to make this area a drop off zone for anyone who wishes to drop their passengers off, before going to park their car.

 = **Parking Area ONE** is at the back of the village hall which is opposite the chapel in Waddesdon. There will be a Steward from the chapel standing here to guide traffic in; we have permission from the hall to use the car park.

When this area is full, the Steward standing here will help guide you round to the second parking location.

 = **Parking Area TWO** is down School Lane. Please use the layby/bus bay to park; this area is not used on a Sunday as the school is closed. *Please do not park in front of the homes on School Lane*; please drive past the homes and park anywhere else on School Lane. There will be another Steward for the chapel here to help guide you.

**Please do not park on Baker Street opposite the hall, as cars will block the road for ambulances and potentially create hazards.**

Any problems with parking on the day please call Jamie Gannon on 07564 153 596
