

Being Part of Our Church Community **Many Gifts - One Church - All are Welcome**

At Aylesbury Methodist Church, we are proud to be a caring and welcoming community. Much of what we do is made possible by people who generously give their time and talents, helping our church life and community to flourish.

Taking part in church activities is also a lovely way to meet and get to know other people, whether you are new to the church or have been part of our congregation for many years.

You might be wondering whether there is a way for you to get a little more involved. If so, we would love to explore that with you. We welcome people with a range of skills and interests, including simply a willingness to help.

There are many different ways to be involved, depending on what you enjoy or feel comfortable doing. The range is wide and include these examples: welcoming and chatting with people especially those who may feel lonely; making and serving tea and coffee; arranging flowers; singing or playing a musical instrument; sewing or craftwork; cleaning; using a computer; decorating; helping with fundraising; reading during Sunday services; serving as a church or communion steward; administrative support; applying knowledge and skills in general property maintenance; simple DIY tasks and more.....

Over the coming months, during Sunday services, we will be sharing a little more about the different groups and roles within the church, to help you get some idea about what might best suit your interests, and to find out the contact person for these activities.

The information will then be printed in the weekly notice sheet the following week.

The notice sheet and the streamed services are always available on the Church website if you need information in the future.
