# AYLESBURY WELCOME REPAIR CAFE

## WHAT HAPPENS AT A REPAIR CAFÉ?

- No appointments needed but first come, first served.
- If you want to check first that a suitable repairer is scheduled to come, contact the organiser, Philippa Tipper by email: [awelcomerepaircafe@gmail.com](mailto:awelcomerepaircafe@gmail.com) or mobile: 07768 325455.
- Relax, have a chat and a cuppa while you wait. (A big thank you to our Welcome Coffee Bar team who will be looking after us).
- Repairs are free apart from parts that might be needed.
- Donations to offset overheads and running costs are welcomed.
- Roger Kirk, our treasurer, has obtained a card reader for our increasingly cashless society.
- On-street parking and car park charges apply on Saturdays.
- **GOOD NEWS:** Phil Tipper has managed to get us a grant from Bucks Council for £700 to help towards our set up costs. Their payback is in repair cafés helping to reduce costly landfill.

## HOW CAN YOU HELP?

1. If you, or someone you know, are good at fixing things, come and join our team. There will be a maximum of 10 Saturday mornings a year: come to however many your commitments allow. Speak to Phil (see above).
2. We are also looking for people to fulfil the role as hosts. This involves welcoming people and being a contact point for both repairers and visitors. If you can smile, you qualify.
3. Spread the word. Tell your friends and neighbours about the repair café and how it can help them to fix more and bin less.
4. Find out more about the Repair Café movement from their website: [Repair Café - Fix Your Broken Items](http://RepairCafé - Fix Your Broken Items)
